

Requirement for non-public samples from the Simons Genome Diversity Project

[Contact details]

Name: _____

Post address: _____

Email: _____

:Dear David Reich and Swapan Mallick,

With regards to the non-public samples from the Simons Genome Diversity Project,

- (a) I will not distribute the data outside my collaboration;
- (b) I will not post the data publicly;
- (c) I will make no attempt to connect the genetic data to personal identifiers for the samples;
and
- (d) I will not use the data for any commercial purposes.
